About Ausblick - [Photo Gallery](#) - 2008_09 SE Wisconsin Lions BOLD

On **Sunday February 8th, 2009** Ausblick was honored to host the **SE Wisconsin Lions BOLD** program for the day. BOLD stands for - **Blind Outdoor Leisure Development** and provides outdoor recreational activities for Blind and Visually Impaired individuals. On this particular day we have 10 program participants and another 12-15 Volunteer Guides. The age of the participants was from 6-68. Other activities enjoyed by the participants throughout the year are Biking, Canoeing, Fishing, Horseback Riding, Harley Rides, and even the opportunity to man the wheel of a race car around a track. As a side note, (9) of our Ausblick Ski School Instructors are either current or past volunteers as Guides in the BOLD skiing/boarding program and instructor Ken Sosalla has been the President of that program for over 20 years. For more information visit www.wisconsinbold.com
