Announcement

**Please do not call the Activity Leaders to sign up for EVENTS.
Call the Voicemail.
Only call the event Activity Leader with questions.**

From the Program Directors

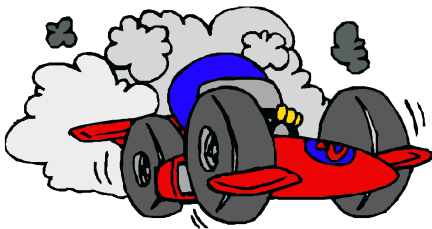

Please make a note that we will not be attend the Winthrop Harbor Fishing Event this year due to the economy. Winthrop Harbor Lions Club is sorry about this as they do not have the funds available this year.

Sign-Up Reminder

Please make a note to yourself about calling in for events. Only call in for the events that you will be attending. If there are events such as biking that happen several times throughout the year, you are required to sign up for each event, in it's respective voicemail box. Do not sign up for all of the biking events at the same time. This causes confusion when we are scheduling for the events. In addition, people forget which events they have signed up for.
